

Thank you for supporting our school. We appreciate your business and always enjoy the products and services you provide. Through this donation, many others will be exposed to you and your company as people attending the auction come from the greater Baltimore area.

As soon as a donated item is verified or turned in to the school, we will post it to the growing list of participating companies and items – therefore, the sooner you donate, the more exposure you will get. Gifts must be received by April 21, 2010 for our May 1, 2010 Auction.
